Drop your basket into the cellophane bag, tape corners under, add a bow around the top, and you have a professional looking basket in minutes! No foldover or pinch bottom! Crystal clear! Extra large for baskets and bulky items. For gourmet foods, stationary, gifts, etc. Meets FDA requirements for direct food contact. All basket bags are 1.2 mm gauge.

To determine the size of bag needed -

- Find the width by measuring (in inches) around the product or basket at the widest point, then divide the measurement by 2.
- Find the height by measuring (in inches) the final height you want, then up and down, under and back - up to final height. Add 10% and divide by 2. *Now choose your perfect bag! Easy, fast!*
